

Dear Parent/Carer,

We've started to use a new system called Evidence Me that will allow us to share what your child is learning at school.

**With Parent Share in Evidence Me you will be able to:**

- View pictures of your child's learning
- Upload things that your child has done outside of school that you think the teacher would like to see and celebrate.

**What will happen next-**

In EYFS we encourage collaborative learning and therefore some group pictures will be taken of your child. As a result, on occasions our parent community will have access to photographs of your child on Evidence Me. Before we can launch the Parent Evidence Me app, we will need you to consent to the following-

- I agree for photo's that may contain my child to be shared with other Reception parents at Walsh Infants on Evidence Me
- I will not share any photos from Evidence Me on Social Media Platforms.

**If all parents do not consent to the above, we will be unable to offer the 'Evidence Me,' Parent Share. Please complete the online consent form via the following link: <https://forms.office.com/e/yG3KCztM5r>**

You will receive an email in the next few weeks from [noreply@evidence.me](mailto:noreply@evidence.me) asking you to participate. Make sure you check your spam/junk inbox as sometimes emails can get lost in there.

If you have any questions or need any additional information, please contact the school directly.

We look forward to supporting you and your child and are always striving to provide the highest standard of education possible.

Kindest Regards,

The EYFS Team
