Dear Families,

**Year 4 – Winchester Science Centre
Wednesday 22nd January 2025**

We are excited to inform you about an upcoming educational trip for Year 4 to the Winchester Science Centre on Wednesday 22nd January 2025. This trip is linked to our Science unit about 'sound'. During our visit the children will learn about the following:

- Describe how sounds are made.
- Explain the relationship between vibration strength and volume.
- Describe the relationship between volume and distance.
- Describe pitch and how to change it.
- Explain how insulating materials can be used to muffle sound.

We will be leaving school promptly at 9.00am on this day so please ensure your child arrives at school on time.

On this occasion we are asking for a voluntary contribution of £21.95 per child, which covers the cost of the workshops. Please ensure payment is made via ScoPay by **Friday 17th January 2025**. We have divided the payment into two instalments if this makes payment more manageable.

Parents are asked to make a voluntary contribution to cover the cost of their child taking part in these visits. This contribution represents the cost of providing the workshops shared equally among all pupils. As school resources are limited, we need to receive sufficient contributions for the event to go ahead. If there is difficulty providing a contribution, please speak to the school office. Any child who misses an event/visit paid for by his/her parent through illness will only be able to receive a refund providing we have not been charged.

If you have any concerns or require further information, or you would like to accompany us on the trip, please do not hesitate to contact your child's teacher.

Thank you for your support in making this a memorable and educational experience for the children.
