Our gymnastics clubs are a fantastic way for your child to experience gym – whether they are a regular gymnast, or it's their first time!

As a 'foundation sport', gymnastics uses strength, balance, coordination, and teaches children to develop the fundamental movement skills they need to lead a physically active lifestyle, as well as a healthy range of social and academic skills.

Book now for an extracurricular club they will never forget.

“
My children love the gymnastics classes and they are always keen to show us what they have learnt when they get home.
